## USAGE INSTRUCTIONS

Nougat is crafted from durable oak wood and water-based acrylic resin, designed for both beauty and functionality. To maintain its quality and appearance, please follow these guidelines:

**Cleaning:** Use a soft, dry, or slightly damp cloth for cleaning. Avoid harsh chemicals, as they may damage the acrylic finish.

**Avoid Direct Sunlight:** Prolonged exposure to strong sunlight may cause discoloration or changes in the material over time.

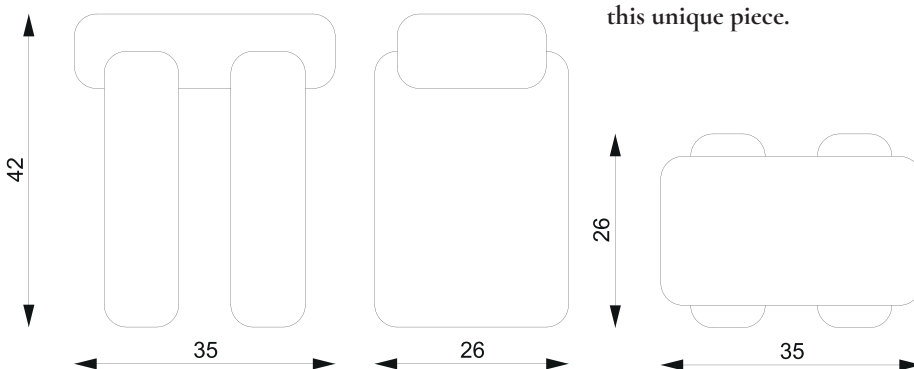

**Handling:** Lift and move Nougat with care, holding it by the sturdy parts of the structure.

### Wood Care:

Avoid excessive moisture, as it can warp or damage the wood. Wipe up spills promptly and do not soak the surface. Use a mild soap solution for cleaning wooden surfaces, and always dry them immediately with a soft cloth. Avoid using abrasive cleaners or scrubbing pads that could scratch the finish. Periodically apply a wood-safe conditioner or wax to maintain the wood's luster and protect it from drying out. Keep Nougat away from heat sources to prevent warping or damage to the wood and resin.
